

Highways Bulletin Weekly Round-Up

Highways Bulletin Issue 359: 4 - 10 December 2023

Area: Reigate and Banstead

Keeping our roads safe during Winter

With the Met Office predicting lows of -5° and rain across the county, we would like to remind you to be prepared and safe when using Surrey roads.

Extreme weather conditions can make journeys more hazardous, especially in our county's rural areas. Please ensure you have a fully charged mobile phone for emergencies, your de-icing kit is stocked, and your route is planned in advance especially during dark early mornings and evenings.

Due to the low temperatures and increased rainfall, some of our roadworks may be affected. We will be in contact at the earliest convenience to update you on any changes to our planned works.

Check out the SCC [Winter Advice page](#) on our website for information on keeping safe, preparing for winter and keeping well during the winter months.

SCC will be closely monitoring the weather and preparing for gritting if needed. For gritting route information, see our [Surrey Winter Online Map](#).

We kindly ask anyone who uses social media to follow [@HighwaysSurrey](#) on Twitter, [@Surreyhighway](#) on Facebook and [@Surrey_Highways](#) on Instagram.

National Highways scheduled works

National Highways will be closing junctions 3 to 4 of the M3 in both directions 9pm Friday 8 to 6am Monday 11 December as part of the demolition works of the footbridge over the M3 in Bagshot.

For more information and diversion routes please see the National Highways website: [M3 Bagshot Heath footbridge - National Highways](#)

Surrey County Council works due to be carried out between 4 - 10 December

If you have any queries about these works, please contact the Works Communication Team on works.communication@surreycc.gov.uk or visit the Surrey Roadworks Webpage.

We ask that you support our essential workers and the job they must do; their job is vital to keep the network safe and Surrey moving.
