

I have sent this mailing to all on either of the TWRA or NhW mailing lists as an Alert rather than a full bulletin with Police reports etc. as I wanted to give you a warning about possible parking restrictions that may apply during the Golf Tournament in the coming few days. There are links to two documents by my signature below – the first gives notice of where parking restrictions might be applied e.g. in Dorking Road and other roads leading off it. The second document is a previously circulated newsletter for residents produced by the tournament organisers including a map showing restrictions to rights of way.

I have also included for your convenience the latest version of my Events List as there have been some changes since that was last issued.

Forthcoming Events
